Curses Explained is a book to help the oppressed and show them that freedom can be theirs – a freedom which the Lord Jesus longs for them to enter into. Jesus said “You shall know the truth and the truth shall set you free”.

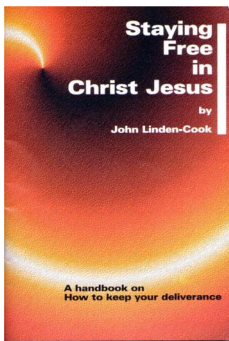

This book is not a theological treatise on curses, but a discussion of some of the scriptures that tell us how curses are let into our lives and We believe the Bible teaches it. It is our prayer that the Lord Jesus will open your eyes to new truth from his Word.

Jesus the Deliverer is the Testimony of a husband and wife whose spirits were quickened by what they read in the Holy Bible and to go in the search of the truth. Having found the truth they appropriated what they had learned to set the captives free. This book contains moving and frank testimonies of some of these captives, to illustrate a variety of deliverances. It is comforting to find a book where things are called what they are and the Word of God is not sullied or compromised for effect

STAYING FREE in CHRIST JESUS is a “How to” for all those who want to be set free from the consequences of the curse and its impact on their life. The beauty of this book is that it affirms new creation realities, which we see in scripture. John recognises the fact that positionally we have these blessings but practically we need to rid ourselves of those curses that hinder us from fully enjoying the privileges of the Kingdom of God. Not only has John taken the time to show how to be delivered, but also to prevent seven stronger spirits from coming back

This book shares the steps to take to Keep your deliverance
