

The purpose of the weekend

This Deliverance Ministry Teaching Weekend is intended to open the eyes of the Saints to the working of evil powers, both in the Church and outside it. Far too many Saints are under bondages from their forefathers' involvement in the occult, thereby bringing curses into the family; their own occultism, curses put upon them by others, soul-ties, demonic sicknesses and diseases. And many broken hearts need healing.

The teaching will be firmly Bible-based as we do not teach theories developed by men. The Bible has been our only guide for many years and we have proved the truths it contains.

Our Lord Jesus Christ is coming again soon. We believe that the Deliverance Ministry is part of the process of preparation and this will be the theme of the Weekend.

The Saturday evening meeting will end with putting into practice the principles which have been taught during the Weekend.

The NCF Fellowship

A small, non-denominational Fellowship, the Norwood Christian Fellowship has been used by the Lord Jesus for many years to bring in-depth teaching, healing of the body, mind and spirit, to the Saints.

The members will be available for limited ministry and counselling during the Weekend.
